

## KITSAP AUDUBON MEETING CANCELLATION POLICY

Guidelines to follow regarding KAS meeting cancellations:

### **Automatic Cancellation if:**

Olympic College evening classes are cancelled in either Poulsbo or Bremerton due to weather.

These announcements are available in late afternoon in the media.

A notice could be put in the November, December, January, and February Kingfishers, as well as on the KAS website under the meetings notices. With these very simple and published guidelines, our membership would have something specific to go on, and it would save us needless phone calls and emails.

**Speaker cancellations** of themselves do not mean a cancellation of the Program Meetings.

The business and social portions of the Meetings would be held with or without a backup speaker.

KAS Board approval 1/30/2007
